

Animal Research Establishment

Accreditation No. **91263**

Start date: 22 December 2025

Expiry date: 21 December 2026

Accreditation holder: Adelaide University

Address: Research Services
Level 4 108 North Tce
ADELAIDE SA 5000

This certificate of accreditation is issued pursuant to Part 4, Division 2 of the *Animal Research Act 1985* (the Act) and is a record that authorises the accreditation holder to:

Operate as an Animal Research Establishment

The holder of the accreditation must comply with the following conditions:

- Animals (other than exempt animals) must only be obtained from a licensed animal supplier.
- Failure to comply with the terms, conditions, limitations or restrictions of this licence may result in the suspension or cancellation of the accreditation.
- Must notify the Department of Primary Industries and Regional Development within 7 days of any changes unless otherwise specified in the Act or Regulation.
- The accreditation holder ensures that the provisions of the Australian code for the care and use of animals for scientific purposes (the Code) are complied with in relation to carrying on of any activity authorised by the accreditation.
- The accreditation holder must ensure that the provisions of the Animal Research Act 1985 and Animal Research Regulation 2021 are complied with in relation to the carrying on of any activity authorised by the accreditation.
- The accreditation holder must ensure, unless otherwise approved by the Animal Ethics Committee, animals should be housed in accordance with the ARRP guidelines on animal housing for specific species found at www.animalethics.org.au.
- The accreditation only relates to the designated land described on it.
- This accreditation is not transferable.
